1 Schedule of Parties

Primary Health Care Multi-Employer Collective Agreement

1. Parties

In accordance with the Employment Relations Act 2000 this collective agreement is made:

BETWEEN:

Employer parties at commencement of this agreement as recorded in Appendix One (The "Employer")

AND

The New Zealand Nurses Organisation (NZNO) (The "Union")

2. Coverage and Application

2.1 This is a Multi Employer Collective Agreement (MECA) that is made pursuant to the Employment Relations Act 2000.

This MECA shall apply to all employees who are members of NZNO and who are employed by an employer party to this MECA in the following positions:

Administration Staff
Enrolled Nurses
Medical Receptionists
Midwives
Practice Nurses
Registered Nurses
Registered Nurses/Practice Nurses/Midwives employed in a Coordinator role
Health Care Assistants

2.2 The parties agree that any employee whose work is covered by the coverage clause of this agreement (clause 2.1 above) who is engaged by the employer, and is a NZNO member, shall be entitled to all benefits, and be bound by all of the obligations, under this agreement.

The employers shall follow the requirements of the Employment Relations Act with regard to new employees. The employer shall advise new employees that the employer is a party to the Primary Health Care MECA, that they are able to join NZNO and be covered, and that there is a copy of the agreement available in the workplace.

Employees shall make every endeavour to notify the employer in a timely manner of their union membership.

2.3 **Savings:** An employee who was covered by the previous MECA and continues to be a member of NZNO and covered by this agreement shall not have their ordinary time (T1) hourly rate reduced by the coming into force of this agreement, unless this is specifically agreed by the parties during the negotiations.

- 2.4 Existing employees who are covered by the coverage clause of this MECA (clause 2.1) who become NZNO members during the term of the MECA shall, from the date of becoming a union member, be bound by all benefits and obligations relating to employees under this MECA subject to the restrictions set out in the Employment Relations Act 2000.
- 2.5 **Transition to this agreement:** This agreement replaces all previous terms and conditions of employment unless mutually agreed otherwise as specified below.

Where an employee on an individual employment agreement (IEA) joins the NZNO or an employee's employer becomes a party to the MECA and the employee is a member of NZNO, the following shall apply:

- The employee shall cease to be covered by the terms and conditions of the IEA, except for any terms and conditions agreed in writing between the employee and the employer to still apply now that the employee is covered by this collective agreement
- If the employee's IEA provides for a flat hourly rate, that hourly rate shall be
 deconstructed to provide for an ordinary hourly rate, overtime, penalty
 payments etc, in accordance with this agreement, by agreement between the
 employer and the employee. Alternatively, the employee and the employer
 can agree upon an all inclusive salary
- If the employee's IEA provides for an all inclusive salary, the agreed all inclusive salary shall continue to apply to the employee, unless the employee and employer agree on the transition to an ordinary rate
- If the employee has an ordinary hourly rate and an entitlement to one or more penalty rate/s for particular times, or some other mix of remuneration rates which is different from that provided for in this agreement, the employer and employee shall deconstruct the rates applicable to provide for an ordinary hourly rate, overtime, penalty payments etc, in accordance with this agreement, by agreement between the employer and the employee
- The principles that shall apply to all transitions from an individual employment agreement to this agreement are:
 - The employee shall advise the employer as soon as possible if the employee has joined NZNO. This is to ensure that the employee is placed on the MECA and to enable the transition to be resolved promptly and appropriately;
 - Neither party should be disadvantaged or advantaged by the transition;
 - Agreement shall not be unreasonably withheld;
 - The employee may seek the assistance of NZNO in working through this process;
 - The agreement reached shall be recorded in writing;
 - The provisions of the MECA are the minimum entitlements.

2.5.2 Transition to this agreement for health care assistants:

The 2023 MECA is the first MECA to cover health care assistants. At the commencement of this agreement, health care assistants are entitled to the first step of the scale, and will progress through the scale in accordance with clause 9.2.

The transition principles set out in clause 2.5.1 apply. Where an HCA's hourly rate, having applied the principles of 2.5.1 is above the first step of

the printed HCA scale, the employee shall retain that hourly rate and will not reduce to the first step in that scale. In this case the employee will be entitled to move to the step in the scale above their current hourly rate on 1 July 2024.

- 2.6 **Non-Waiver Understanding:** Failure by either party to enforce any right or obligation with respect to any matter arising in connection with this agreement, shall not constitute a waiver as to that matter, or any other matter, either then or in the future.
- 2.7 **Subsequent employer parties:** The parties agree that other employer parties whose core business is the provision of primary healthcare services may become parties to this agreement where the NZNO and the new employer party so agree. Employers who agree to become subsequent parties shall be recorded on a master list compiled by the NZNO and shall be provided to the employer parties on request.

On the date of receipt by NZNO of the completed subsequent parties form the employees who are NZNO members shall be entitled to the benefits conferred by this agreement.

3. Term

3.1 This MECA shall come into force on 28 September 2023 and expire on 30 June 2024.

4. Variation of this MECA

- 4.1 The parties may vary this agreement from time to time by written agreement signed by them or by their duly authorised representatives on their behalf (employer advocates and NZNO). Any such variation will take effect as if it were incorporated into this agreement.
- 4.2 Where a change only impacts on one or some of the employer parties, any or all of the provisions of this agreement may be varied by agreement between the affected employer parties and the NZNO. Any such variation will be committed to writing and signed by the parties to the variation. That variation shall only apply to the employers who have agreed to such variation.
- 4.3 Where a change only impacts on one or some of the employees employed by an employer party to this agreement, any of the provisions of this agreement may be varied by agreement between the affected employee(s) and their employer and NZNO. Any such variation will be committed to writing and signed by the employer and the employee(s) affected and NZNO. That variation shall only apply to the employer and employees who have agreed to such variation.

5. Definitions

"Administration staff" means an employee who is wholly or substantially engaged in administration duties.

"Casual employee" means an employee who has no set hours or days of work and who is normally asked to work as and when required. They are employed when there is an overflow of work or a permanent employee is absent. Each engagement undertaken by the casual employee is a stand alone employment arrangement and the employment shall be at an end at the completion of the work required. Nothing in this agreement, either express or implied, requires the employer to offer any employment to any employee, notwithstanding

that the employee may be recognised on any list maintained by the employer to assist in obtaining staff.

"Employee" means any person employed by an employer whose position is covered by this MECA.

"Employer" means the relevant employer employing the particular employee.

"Enrolled nurse" has the same meaning as in the Health Practitioners' Competence Assurance Act 2003 and its successors.

"Full time employee" means an employee who works not less than the "ordinary" or "normal" hours set out under "hours of work" in this MECA.

"Healthcare Assistant" is a non-regulated healthcare provider who may perform a wide variety of tasks both administrative and clinical within the general practice environment.

"Medical Receptionist" means a person who is employed to undertake medical receptionist duties at the medical practice.

"Midwife" means a person who is qualified as a midwife under the Health Practitioners' Competence Assurance Act 2003 and its successors.

"Night Duty" means any duty in which part of the duty is worked between midnight and 5:00am on any day of the week.

"Ordinary time hourly rate of pay" shall be the hourly rate of pay paid to the employee. T1 refers to the ordinary time hourly rate of pay; T1.5 refers to one and a half times the ordinary time hourly rate of pay.

"Part-time employee" means an employee, other than a casual employee, who is employed on a permanent basis but works less than the ordinary or normal hours prescribed in this MECA. Any wages and benefits e.g. leave, will be pro rata according to the hours worked unless specifically stated otherwise in this MECA.

"Registered nurse" has the same meaning as in the Health Practitioners' Competence Assurance Act 2003 and its successors.

"Relevant Daily Pay" has the meaning as provided by the Holidays Act 2003.

"Service" means the current continuous service with the current employer.

"Shift work" is defined as the same work performed by two or more employees, or two or more successive sets or groups of employees, working successive periods.

"Temporary/Fixed Term Employee" means an employee who is employed for a specified limited term for a specified project, situation or event, or, for example, to replace an employee on parental leave or long term accident or sickness. There is no expectation of ongoing employment. Temporary agreements must not be used to deny staff security of employment.

6. Trial Period

A new employee may be employed on a trial period in accordance with section 67(a) of the Employment Relations Act 2000 and any subsequent amendments. Any trial period requires agreement between the new employee and the employer. Where a trial period is proposed, it shall be specified in the employee's letter of offer, which letter shall also advise the employee of the right to seek independent advice about the implications of this provision prior to agreeing to this trial period.

7. Hours of Work

The employer will endeavour to ensure safe staffing levels and appropriate skill mix in work areas.

- 7.1 The ordinary working hours of an employee employed full-time shall be either:
 - (i) 75 or 80 per fortnight; or
 - (ii) 37.5 or 40 per week; or
 - (iii) The equivalent average in the case of a roster cycle exceeding a fortnight.
- 7.2 Employees will normally work 7.5 or 8 hours a day/shift in duration. Shifts shall be no less than 4 hours per day, except by mutual agreement between the employee and employer.
- 7.3 The times and days to be worked, and the duration of shifts shall be set by agreement between the employer and employee. Any change to the hours and/or days of work shall be by agreement between the employer and employee. Such agreement would not be unreasonably sought or withheld by either party where there are demonstrable employer or employee needs.
- 7.4 Where rosters are worked they will be published at least 14 days prior to the commencement of the roster. Changes in rosters, once posted, shall be by mutual agreement.
- 7.5 Except by mutual agreement, every employee shall have two periods of at least 24 hours off duty each week, and except in the case of emergencies or by agreement, these shall be consecutive.
- 7.6 Except by mutual agreement, no employee shall work more than seven days in a row. This does not include days attending training or professional development.
- 7.7 A minimum break of nine hours shall be allowed between rostered shifts unless mutually agreed between the employer and the employee.
- 7.8 Employees may exchange shifts or duties by mutual agreement and with the prior approval of the employer. In this case, no additional payment (such as overtime rates) will apply. Where an employee chooses to enter into a shift swap which results in that employee receiving less hours than their guaranteed hours for the period, it is recognised that the employee has chosen to forfeit a portion of their guaranteed hours of their own free will, and that time not worked is not required to be made up or paid by the employer.

Where the employer requires employees to attend classes of instruction or examinations the time spent shall be paid at the employee's ordinary time rate of pay but shall not count as time worked for the purposes of calculation of any overtime entitlements. Alternatively the employer and employee may agree to paid time in lieu instead of payment.

7.9 Duties, once commenced, shall be continuous unless otherwise agreed between the employer and the employee.

7.10 Additional Provisions for Employees working Alternative Rosters:

- 7.10.1 In specific instances, i.e. shifts of longer or variable lengths, the ordinary hours for a full time employee are able to be averaged over a roster cycle of greater than one fortnight e.g.: an employee who works 12 hour shifts may work 120 hours over a 3 week roster and be considered to be fulltime. No employee shall be required to work more than a 12 hour rostered shift.
- 7.10.2 Alternative hours of work may be implemented by agreement between the Employer and the employees directly affected. It is recognised employees have the ability to consult NZNO before such agreement is reached.

8. Meal Breaks and Rest Periods

- 8.1 Employees who work for less than two hours in a day are not entitled to breaks.
- 8.2 Employees who work for two hours or more are entitled to a paid 10 minute rest break.
- 8.3 Employees who work for four hours or more are additionally entitled to an unpaid meal break.
- 8.4 Employees who work six hours or more in a day are entitled, within each working day, to two paid ten-minute rest breaks and an unpaid meal period of at least half an hour.
- 8.5 An employee who is unable to be relieved from work for a meal break shall be entitled to have a meal while on duty and this period shall be regarded as working time. The employee shall comply with the employer's policy as to where on the premises the meal may be taken.
- 8.6 During the meal break or rest breaks specified above, free tea, coffee, milk and sugar shall be supplied by the employer when the break is taken on the premises. This shall not apply when employees are working off site.
- 8.7 The employer shall ensure so far as practicable, given the employers operational requirements and resources, that appropriate facilities are to be provided in the workplace for an employee who wishes to breastfeed and that appropriate breaks are provided for this. Such breaks shall be unpaid unless otherwise agreed.

- 9.4.6 Where the employer and employee have agreed on an all inclusive salary, specified additional time is deemed to be compensated in the all inclusive salary. Where the employee has worked additional hours in excess of the amount specified in the letter of offer of employment, the employee shall be entitled to take equivalent (i.e. 1 hour overtime worked for 1 hour ordinary time off) paid time off work at a mutually convenient time.
- 9.4.7 For those employees where superior entitlements exist, such entitlements shall be retained by the individuals concerned.

- 9.5.7 No existing employee who was employed immediately prior to the commencement of this agreement, and was receiving payment for hours where penal rates applied, shall take a drop in absolute total dollars per hour for the same hours worked on a shift by shift analysis as a result of clauses 9.5.1 to 9.5.5 above.

10. Call Backs

- 10.1 A call back only occurs where an employee who is on call is required to return to work. A call back does not include the situation where an employee who is not on call is asked to work and can choose to accept or decline the additional work.
- 10.2 **Rate:** Call-back is considered overtime and will be paid at the rates specified in clause 9.4, but penal rates will not apply.
- 10.3 **Minimum Payment:** An employee shall be paid for a minimum of two hours, or for actual working and travelling time, whichever is greater, when the employee:

Where an employee has a second call-back which is commenced and completed within two hours of the commencement of the first call-back, only one call-back shall be paid. Where a second call-back is commenced within two hours of the first call-back, but is not concluded within the two hour period, the employee shall be paid continuously from the commencement of the first call-back to the conclusion of the second call-back.

- 10.4 Where an employee is "on-call" the allowance set out in Clause 11 below will be paid.
- 10.5 In lieu of payment for call back the employer and employee may jointly agree for the employee to take equivalent (i.e. one hour overtime worked for one hour ordinary time off) paid time off work at a mutually convenient time.
- 10.6 Where the employer and employee have agreed on an all inclusive salary, specified call-back time is deemed to be compensated in the all inclusive salary. Where the employee has worked call back hours in excess of the amount specified in the letter of offer of employment, the employee shall be entitled to take equivalent (i.e. 1 hour overtime worked for 1 hour ordinary time off) paid time off work at a mutually convenient time.
- 10.7 For those employees where superior entitlements exist, such entitlements shall be retained by the individuals concerned.

For those employees where superior entitlements exist, such entitlements shall be retained by the individuals concerned.

11.1 On Call

11.1.1 There are times when the employees covered by this agreement are required to be on call to provide cover so that primary health services are able to be provided. In the interests of healthy rostering practices, the parties agree that the allocation of on-call time shall be spread as evenly as practicable amongst those required to participate in an on-call roster taking into account employer and employee needs.

- 11.1.2 Each employee shall be entitled to the on-call allowance of \$6.00 per hour during which she/he is required to be on-call during what would otherwise be off-duty time.

- 11.1.4 Unless by mutual agreement or in emergencies, no employee shall be required to remain on call for more than 40% of the employee's off-duty time in any three-weekly period.
- 11.1.5 Where the employer and employee agree to an all inclusive salary, on call allowance will not apply. Prior approval of the employer must be obtained. The approval of the employer shall not be unreasonably withheld.
- 12.2 An employee may take leave on pay to attend National Meetings or Seminars of Section Groups and/or Colleges of the NZNO. This leave may be charged against the professional/educational development leave as specified in subclause 12.1. Prior approval of the employer must be obtained. - 12.8 Only permanent employees, or fixed term employees who have a contract for six months or more, receive professional development leave. In the case of fixed term employees, this is prorated for the proportion of the year that the employee is employed for (for example, a nine month fixed term full time employment provides an entitlement of up to 30 hours during the period of fixed term employment). Fixed term employees who have a contract for less than six months do not have an entitlement to professional development leave, unless the employer has specifically agreed to provide this. Where the employee is paid by the court via direct credit, the employee may provide evidence of the payment received for jury service to the employer so that the employer can deduct this amount from the employee's pay rather than the employee having to pay the employer.

If the employee fails to reimburse the employer the juror's fees received and fails to provide the evidence as to the court payment to authorise a deduction for the fees paid by the court, the employer shall be entitled to deduct the payment the employer made to the employee for the jury service attendance from wages due to the employee and the employee shall not be entitled to any payment from the employer for the time spent on jury service.

- 31.2 Under no circumstances will an employee make use of, divulge or communicate confidential information to any person either during the term of this agreement or at any time after the termination of this agreement.
- 31.3 This shall not prevent registered health practitioners from making appropriate ethical/professional disclosures regarding individual patient clinical status and associated legal issues, in accordance with the provisions of the Privacy Act 1993. The registered health practitioner will notify the employer of such disclosures.

32. Policies and Procedures

- 32.1 All employees covered by the Agreement shall comply with the employer's policies and procedures in force from time to time, to the extent that such policies and procedures are not inconsistent with the terms and conditions of this Agreement.
- 32.2 The employee will be consulted regarding any additions/amendments to those policies and procedures, where such additions/amendments have a material effect on employees' conditions of employment.

32.3 Vulnerable Children Act 2014

Where employers are required under the Vulnerable Children's Act 2014 to safety check employees who will have contact with children, the parties agree that all employees covered by this agreement may be required to undergo such checks as prescribed by Regulation. This may include both vetting and screening processes. An employee who refuses to participate in the required safety checks or who does not pass such required screening may have their employment terminated.

33. Safe Staffing and Healthy Workplaces

33.1 The employer parties to this collective agreement are committed to providing safe staffing and a healthy workplace to their employees.

34. Whanau/Family Friendly Policies

34.1 Employers and employees recognise the value of whanau/family and will endeavour to promote whanau/family friendly policies.

35. Health and Safety

- 35.1 The employer shall comply with the provisions of the Health and Safety at Work Act 2015 and subsequent amendments concerning safety, health and welfare matters. The parties to this agreement agree that employees should be adequately protected from any safety and health hazard arising in the workplace. All reasonable precautions for the health and safety of employees shall be taken.
- 35.2 It shall be the responsibility of the employer to ensure that the workplace meets required standards and that adequate and sufficient safety equipment is provided.
- 35.3 It shall be the responsibility of every employee covered by this agreement to work safely and to report any hazards, accidents or injuries as soon as practicable to their supervisor.
- 35.4 It is a condition of employment that safety equipment and clothing required by the employer is to be worn or used by the employee and that safe working practices must be observed at all times.
- 35.5 Attention is also drawn to the employer's policies and procedures on health and safety.
- 35.6 Where there is an Employee Participation Agreement in place, the employer recognises that to fulfil their function health and safety delegates require adequate training, paid time and facilities.

36. Accidents and Injuries

36.1 Where an employee is incapacitated as a result of an accident, and that employee is on earnings related compensation, and has an entitlement to sick leave, the employer agrees to supplement the employee's compensation by 20% of base salary during the period of incapacitation. This leave shall be taken as a charge against the employee's sick leave entitlement. This shall only be applied when the employee requests to use their sick leave for this purpose.

37. Uniforms and Protective Clothing

- 37.1 Where an employer requires an employee to wear a uniform, it shall be provided free of charge, but shall remain the property of the employer. This sub clause does not apply in the event that the employee wears their own clothing within broad requirements such as wearing of certain colours.
- 37.2 Suitable protective clothing shall be provided at the employer's expense where the duty involves a risk of excessive soiling or damage to uniforms or personal clothing or a risk of injury to the employee.

37.3 Damage to personal clothing – An employee shall be reasonably compensated for damage to personal clothing worn on duty, or reimbursed dry cleaning charges for excessive soiling to personal clothing worn on duty, provided the damage or soiling did not occur as a result of the employee's negligence, or failure to wear the protective clothing provided. Each case shall be determined on its merits by the employer.

38. Payment of Wages

- 38.1 Employees will be paid weekly or fortnightly in arrears by direct credit. Where errors, other than overpayment, have occurred as a result of employer action or inaction, corrective payment must be made within three working days of the error being brought to the employer's attention.
- 38.2 The employees shall complete timesheets as required by the employer. Wherever practicable any disputed items shall not be changed without first referring it to the affected employee.
- 38.3 The employer shall endeavour to direct credit payment of wages into the employee's bank account one clear banking day prior to a public holiday.
- 38.4 Where an employee has taken leave in advance of it becoming due, and the employee leaves before the entitlement has accrued, the employer will deduct the amount owing in excess of entitlement from the employee's final pay.
- 38.5 Deductions may be made from remuneration for any absence due to the default of the employee or for sickness in excess of paid sick leave entitlement or compensatable accident. Any monies owed by the employee to the employer upon termination will be deducted from the employee's final pay.
- 38.6 In the event of an overpayment of remuneration the employer and employee shall agree on reasonable repayments by deduction from wages / salary, except upon termination where any remaining overpayment may be recovered in full from any monies owed by the employer to the employee. Where agreement cannot be reached following discussion, the employer may deduct the overpayment either in full or by way of instalments provided 10 working days' notice is provided and that any single deduction will not exceed 5% of net pay.

39. Termination of Employment

39.1 **Notice Period**

Either party may terminate the employment agreement with four weeks written notice following correct procedure, unless otherwise agreed between the employer and employee. Agreement for a shorter notice period will not be unreasonably withheld. When the agreed notice is not given, the unexpired notice shall be paid or forfeited by the party failing to give the agreed notice.

This shall not prevent the employer from summarily dismissing any employee without notice for serious misconduct.

The employer may elect to pay in lieu of all or part of the notice period where the employer is terminating the employee's employment. Where an employee is resigning, the employer

and employee may mutually agree that the employee will be paid in lieu of all or part of the notice period; this will only occur if both the employer and employee agree to it.

39.2 **Abandonment of Employment**

An employee absent from work for three consecutive working days without notification to the employer or without appropriate authorisation from the employer will be considered by the employer as having terminated their employment without notice, unless the employee is able to show they were unable to fulfil their obligations under this section through no fault of their own. The employer will make all reasonable efforts to contact the employee during the three days period of absence.

40. Harassment Prevention

- 40.1 The parties recognise that harassment in the workplace is totally unacceptable. It is the responsibility of the employee to familiarise themselves with the relevant policy on harassment and the responsibility of the employer to communicate the extent of this policy and make it accessible to all employees.
- 40.2 Harassment can take many forms, including sexual harassment, bullying, racial harassment, violence and other forms of intimidating behaviour.
- 40.3 Harassment complaints will be taken seriously and the employer undertakes to address these with sensitivity and impartiality.

41. Resolution of Employment Relations Problems

An "employment relationship problem" includes:

- (a) A personal grievance
- (b) A dispute
- (c) Any other problem relating to or arising out of the employment relationship but does not include any problem with negotiating new terms and conditions of employment.

Where an Employment Relationship Problem arises the parties will in the first instance seek to resolve it between the immediately affected parties. Further to this:

- (a) The employee is entitled to seek representation at any stage during the process. Help with an employment relations problem is available from within the work place (employee manager) or outside the workplace (Ministry of Business, Innovation and Employment 0800 20 90 20), or a union, an advocate or a lawyer.
- (b) If the matter is unresolved either party is entitled to seek mediation from the Ministry of Business, Innovation and Employment or refer the matter to the Employment Relations Authority. (Both mediation and investigation by the Authority are services available for the resolution of employment relationship problems.)

A "personal grievance" means a claim that an employee:

- (a) has been unjustifiably dismissed; or
- (b) has had his/her employment, or his/her conditions of employment, affected to his/her disadvantage by some unjustifiable action by the employer; or
- (c) has been discriminated against his/her employment; or

- (d) has been sexually harassed in his/her employment; or
- (e) has been racially harassed in his/her employment; or
- (f) has been subjected to duress in relation to union membership.

If the employment relationship problem is a personal grievance, the employee must raise the grievance with the employer within a period of 90 days (12 months in the case of allegations of sexual harassment) beginning with the date on which the action alleged to amount to a personal grievance occurred or came to the notice of the employee, whichever is the latter.

Where any matter comes before the Authority for determination, the Authority must direct the matter to mediation in the first instance. Where mediation has failed or been deemed inappropriate in the circumstances, the Authority will then have the power to investigate the matter.

If the employment relationship problem relates to discrimination or sexual harassment, services available for the resolution of the problem include either application to the Authority for the resolution of this grievance or a complaint under the Human Rights Act 1993, but not both.

42. Deduction of Union Fees

42.1 The Employer shall deduct employee NZNO fees from the wages/salaries of employees when authorised in writing by members, and shall remit such subscriptions to the NZNO at agreed intervals.

43. No Pass On Provision

43.1 The employer parties to this collective agreement agree not to pass on automatically to non-NZNO members, terms or conditions that are the same or substantially the same as those contained in this collective agreement.

This means that the employer and non-NZNO members shall individually negotiate their terms and conditions of employment.

Signed this $\frac{28}{20}$ day of September 2023
